

Getac T800 Rugged Tablet

Highlights

Built for today's mobile workforce, the Getac T800 fully rugged tablet features an 8.1" HD LumiBond display for better viewing experience, the latest wireless technology, and a thin, ergonomic design which allows it to be held comfortably in one hand. The T800 provides best-in-class battery life to get you through your shift and it's no-compromise rugged features guarantee that it will always be ready.

Designed to fit ergonomically in one hand, the new T800 tablet weighs less than 900g and is less than 0.24cm thick, with a concave, non-slip case that makes it easy to grip.
