Getac ZX10 Rugged Tablet

Highlights

This ultimate fully-rugged Android tablet is the ideal solution for improved mobile productivity during a workday. Engineered to be thin and light with an ergonomic design that makes the tablet easy to hold in one hand.

The ZX10 is powered by the Android 11 operating system and is verified by Google as an Android Enterprise Recommended Rugged Device. IP66-certified, the ZX10 can be operated safely in rain or high-pressure water jets and makes it ideal to perform for mission-critical field operations in its class. ZX10's design is optimised for a wide variety of configurable features and no-compromise ruggedness.
